INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In compliance with their duty to disclose under 37 CFR §1.56(a), Applicant and his attorneys herewith submit a Form PTO-1449, and requests that the documents cited thereon be considered in the examination of the above-identified patent application. This Information Disclosure Statement is being filed before the mailing date of the first office action on the merits pursuant to 37 CFR §1.97(b)(3).

All of the cited references, except for the Russell U.S. publication and the EP publication, were cited by the Examiner in connection with the prosecution of the parent application, U.S. Application No. 09/608,371 filed on June 30, 2000.

The Russell U.S. publication and the EP publication were cited in a European search report issued in connection with corresponding European Application No. 01310580.4. The European Search report also cited International Publication No. WO 01/75674 which is

believed not to be prior art relative to the present application. It does not designate the U.S., has an International filing date of only March 29, 2001, and a publication date of October 11, 2001.

The present application was filed after June 30, 2003. Thus, copies of cited U.S. patents and U.S. published applications are not required to be provided herewith and are not provided herewith. A copy of the foreign publication is provided.

No representation is made hereby that these documents provide all of the art and the Examiner is presumed to conduct an independent search of the art. However, these documents do form all of the relevant art of which the Applicants are presently aware. If Applicants become aware of additional relevant art during the prosecution of this application, Applicants will bring such art to the attention of the Examiner by means of a Supplemental Information Disclosure Statement.

The Examiner is respectfully requested to consider the enclosed documents and to make the same of record in the file of the present application.

In the event that a fee for the Information Disclosure Statement is required, please charge the fee to our Deposit Account No. 08-3040.

Respectfully submitted,
HOWSON AND HOWSON
